Statement of Philosophy

Welcome to our special family at Faith Presbyterian Preschool. We trust you will find a warm atmosphere here. Thank you for entrusting your child to our care.

Faith Preschool & Kindergarten was established in 1960 as an outreach of Christian ministry. Faith Presbyterian Church Preschool and Kindergarten is established to serve the community as an educational arm of the total mission of Faith Presbyterian Church to witness to the love of Christ. The programs of the preschool are designed to emphasize the total child socially, emotionally, intellectually, physically, and spiritually. All subject matter is taught from a Christian viewpoint with an atmosphere of Christian love and understanding.

A church related preschool is similar to other preschools because it seeks to provide the first rate educational experience all young children need to grow and develop to the best of his/her ability. It consciously seeks to lead the children and their parents to a meeting with God in all walks of life.

While the academic program has a Christian atmosphere, no effort is made to divert any child from his/her established faith. Interaction between staff, students, and parents is encouraged to attain maximum benefits for the child.

Faith Preschool & Kindergarten is committed to meeting the highest standards of education and excellence in a nurturing and loving environment. The school offers a healthy balance of age appropriate learning centers to reach the total development of each child. We want every child to feel loved and special. The goals, plus the scope and sequence for the respective classes are designed to offer a wide variety of hands-on learning experiences with exposure to as much as possible, to meet the needs of the varied learning styles of the children we teach. Faith Preschool is a state VPK provider and accredited by the NAEYC academy of early childhood programs. The total program serves at the pleasure of the Session of Faith Presbyterian Church and is open to all children without regard to race, creed, color, or national origin.

The **preschool curriculum** follows a thematic approach using themes from the “**Wee Learn**” curriculum and Lakeshore Learning Resources that are age appropriate for early childhood classrooms. The curriculum includes experiences rich in math, art, science, social studies and language arts (early literacy). The preschool curriculum also includes a kindness curriculum that introduces young children to virtues of love, kindness and empathy along with social/ emotional skills.

More information about Faith Presbyterian Church and the preschool ministry can be found on the internet website at www.faithpcusa.org or the school website at www.faithpreschooltally.org.

Let your light shine!

General School Information

School Hours: The educational portion of the school day is from 8:45 am -12:15 pm. Please do not leave children before 8:45 am. There is an early morning program for those children who need to be dropped off at school between 8:00 am and 8:45 am. The classroom teachers will be busy preparing for the school day and will not be able to supervise your child before 8:45 am. Please see the preschool office to register for the early morning program if you are interested. Pick up time from school is 12:15 pm. We offer extended day options with a Lunch Bunch program until 2:00 and Stay & Play with pick up times at 4:00 and 5:30 pm. Please see the school office if you are interested in registering for extended hours. We do not offer drop-ins for extended day programs.

Thank you for being sensitive to the drop-off and pick-up times. A late fee will be charged of \$2.00 for every (5) minutes late.

Snacks:

Parents will need to provide a daily snack and water bottle. You will be given a suggested snack list approved by the State Department of Children and Families from which you can choose healthy and nutritious snacks for the children. Snacks should be prepared prior to snack time by the parent. Please label your child's snack. Birthdays are very important to children. We like to celebrate, but keep things simple at Faith. Parents may provide a simple prepackaged birthday snack. Please avoid sending large cupcakes with icing or overly sugary treats for birthday snack. Talk to your teacher about scheduling your child's birthday snack.

Discipline:

The school will adhere to the code of discipline given to all parents at the time of enrollment. The teachers will gently redirect the children when possible. Parents are informed of inappropriate behavior that can't be resolved using the school code of discipline. The school and staff will adhere to the school confidentiality policy for all students at all times. Our goal at Faith Preschool is to limit the use of suspension, expulsion and other exclusionary measures. The teacher and director will work with the child and parents to address ongoing challenging behavior before a decision to exclude is considered. These steps include assessing the function of the behavior, working with families and professionals to develop an individualized plan to address the behavior, and positive behavior support strategies as part of the plan (positive behavior support strategies can include removing materials or modifying the classroom environment that triggers challenging behaviors, or create a predictable daily schedule so children know what to do and when to do it). Exclusionary measures are not considered until all other possible interventions have been exhausted, and there is agreement that exclusion is in the best interest of the child. Circumstances when a child is frequently harmful to themselves, other children, or adults (physical or relational aggression, verbal bullying, and refusal to observe classroom rules) are all subject to exclusion. If exclusionary measures must be taken, we will offer assistance in accessing services and an alternative placement.

Faith Preschool complies with all federal and state civil rights laws. The student files, history, health, and parent information are kept confidential in a locked filing cabinet in the office or classroom, but are immediately available upon request to administrators and teaching staff who have consent from a parent or legal guardian to access the records, the child's parents or legal guardians, and regulatory authorities.

Biting Policy

Children who bite are given a verbal warning the first time it happens and the parent is notified. The second time a biting incident occurs, the child's parent will be asked to pick him/her up from the preschool and stay at home one school day or until the situation can be resolved and the biting has stopped. The third time the child has a biting incident, they must stay home from school for an extended time determined by the director.

Chapel will be held in the sanctuary and taught by the minister, director, or teacher/class students. A story is read and Biblical songs are shared with the entire school and staff. Parents and families are invited to join in our monthly chapel programs. A daily devotion is read in each individual classroom by the lead teacher.

Immunizations: All students should have on file a current immunization record with a physical within 30 days of entering school. The physical should be updated every two years. Your child will not be enrolled in the school if out of compliance with the state rules and regulations. At time of enrollment, some children in care may not have current immunizations, but must have up to date forms no later than the 30th day of school. Faith Preschool is licensed by the state Department of Children and Families. LIC #C02LE0243

Conferences will be held during the school year (one formal and one informal). The teacher will initiate the conference time as the need arises. However, a parent may request a conference at any time, but should be scheduled in advance to avoid conflicts during arrival, dismissal, and classroom time with the children.

Drop-off and Pick-up: Please drop-off and pick-up your child at your child's classroom using the outside doors and sign-in/out using our ProCare app on the tablets. Please use caution when picking up or dropping your child off at school when it is raining. If inclement weather occurs, the teachers will keep the children safe in the classroom until a parent can safely walk to the classroom to pick his/her child up from school. Thank you for your patience during a heavy rainfall when using the covered drop off by the preschool office. Please do not leave idling vehicles in our parking areas or children unattended inside your vehicle even for a short period of time.

Safety:

All doors to the preschool buildings will be locked after 9:00 am. After that time you will need to check your child into school through the preschool office. The doors will be unlocked for 15 minutes at pick up time. Please call the office in the event your child is ill or will not be attending school that day. The preschool adheres to the DCF requirements of monthly fire drills and severe weather/ lockdown practice drills. All of the staff are trained in CPR and First Aid and the director is certified with an Allergy Treatment License to administer an EpiPen in the event of an anaphylaxis emergency. We do not administer medications or sunscreen during the school day.

- **Ear:** Any ear pain with a fever should be evaluated by a physician. Untreated ear infections can cause permanent hearing loss.
- **Eye Redness:** Eyes that have matted or crust on the eyelids after sleep, mucus or pus drainage, redness, and pain should be evaluated by a health care professional for possible "pink eye" or conjunctivitis.
- **Chicken Pox:** Children with Chicken Pox must remain home for five days after the beginning of blisters, or until all pox are scabbed over and dry.
