

Welcome to Faith Presbyterian Church
Preschool & Kindergarten

We are glad to have you visit our school. I trust that you will find a loving and warm environment at Faith and hope that you will consider joining our Faith school family.

Registration for students is done in the most simple, fair and stress-free manner. The week of January 18th – January 21st, registration will be open to our currently enrolled students, church members and alumni. Classes are then filled with priority given to the date registration is completed by new families.

1. Currently enrolled students
2. Currently enrolled students siblings
3. Church members
4. Alumni
5. New students

Every effort is made to accommodate as many new students and families as possible. If your application & \$150 registration fee (\$75 registration fee for wraparound vpk) is turned into the office no later than Monday, January 24th it is more than likely that your child will be accepted and an acceptance letter or phone call will be extended to you following registration to confirm your child's place.

Teacher assignments will be made at a later time taking into consideration teacher recommendations, boy/girl ratio, class size and student/teacher compatibilities and personalities along with teaching and learning styles. Please know that our first priority is always our children and their happiness, education and safety at our school. Faith Presbyterian Preschool requires full childhood immunizations and does not accept religious exemptions. Also immunization forms along with a school entry physical form needs to be turned into the preschool office before the first day of school. All children in 3 year old classes and older must be fully potty trained by the first day of school. Please do not hesitate to call me if there is any way that I can help you with your decision or the registration process.

Thank you for your interest in Faith Preschool and Kindergarten. We look forward to you joining us.

Most Sincerely,
Allison Lee, School Director
